

Shipping & Delivery Policy

Effective for all orders placed on shopease.com

- 1 Standard shipping takes 5 to 7 business days. It is free on orders over \$50, and a flat \$5.99 fee applies to orders at or below \$50.
- 2 Expedited shipping takes 2 to 3 business days for a flat \$14.99 fee, and is only available for items that are currently in stock.
- 3 Orders placed before 12:00 PM local warehouse time ship the same business day. Orders placed after 12:00 PM ship the following business day.
- 4 International shipping is currently available to Canada and the United Kingdom only. International orders take 10 to 15 business days to arrive, and any customs duties or import taxes are the customer's responsibility, not ShopEase's.
- 5 If package tracking shows a status of "delivered" but the customer has not actually received the package, ShopEase requires a 48-hour waiting period (to allow for carrier scan-ahead errors) before a claim can be filed or a reship can be issued.
- 6 Lost-in-transit claims must be filed within 20 days of the estimated delivery date. After that 20-day window, ShopEase cannot guarantee any reimbursement for a lost package.
